The God Centered Church

The Great Commission

Matt. 28:16-20

The Three Basics to Fulfilling the Work of God

- I. **Evangelism** The task of taking the Good News to a lost world! Matt. 28:19
- II. **Discipleship** The work of teaching believers with the goal of maturing them! Col. 1:28
- III. **Lordship** Every believer becoming an obedient follower by accepting and applying the teachings of Jesus to their lives! Rom. 14:7-12

Ministry goals I have for the ministry of our church in 2014

1. A truly God Centered church!
2. The continuation of The Way of The Master!
3. The involvement of our people as we serve God together!
4. To help everyone in our church to find that place God has placed them in!
5. To teach and lead others in sharing the Good News with the lost!
6. To renew my commitment to those that are leaders in affirming them in ministry!
7. To allow others to do more as we work together so that I can focus more on what I need to be doing as I seek God's will in being the pastor God wants me to be.
8. To be more open to those who need to see their pastor for counsel, prayer and fellowship!

I truly believe that we can do much more for God and a lost world as we seek to fulfill the Great Commission. It is imperative that we obey God's Word and obey the leading of the Holy Spirit. Let us be the people of God in the city of Oakdale as we serve others. We love you and seek to do His will as we serve Him in the days ahead. Eph. 3:20-21

Our plan for 2014 is to start a new class based on the book, "I Am A Church Member" by Thom S. Rainer. The date and time TBD. I encourage all to take this class!
